

Servo

1 Application Survey

1.1 Which development paradigm? Which development language(s)?

Rust. Other packages with different languages.¹

1.2 Requirements? Specification? Documentation? Other artefacts available?

Nope.

1.3 Current testing status, approach? Bug repositories?

Fully tested. Rust devs are better than Jesus.

1.4 What is your current personal involvement in the application? Developer, tester, user, etc.?

Aspiring user.

1.5 Document these findings in a summary for your project report at the end of the semester

Done

The End
